

BEGINNING SEPTEMBER 2021

Our pride is in providing children with an opportunity to be a creative asset to a very unique community of learners & explorers.

Now offering after-school childcare and plus daily creative enrichment. Sign up for daily childcare options.

NEWLY offered to K-7th grades!

3-6 pm Offered Daily, Half Day and Holiday Options Available

Let's face it, we're living in a new world. But that doesn't have to stifle our creativity and ability to connect. We will spend our afternoon hours at Hillside School. We will kick off our time with outdoor, supervised free-play. From there we will head inside to wash up and then back out for outdoor snacktime (weather permitting). We will have time for guided homework, and fun projects ranging from book writing to fairy house building and funky science projects.

Staffed by a group of warm, caring and intelligent professionals, we look to instill positivity, confidence and creativity in your child.

Childhood goes by in a flash and it is our mission to help you give your child the best and most enriching childhood they can have.
